MEETINGS WORTH LEAVING THE OFFICE FOR

A meeting day here doesn't stop at the door. Between sessions, step out onto the water, into the countryside, or simply slow down by the riverbank - the kind of reset that stays with people long after the day ends.

INCLUDED AS STANDARD

The Gym

STREATLEY ONLY

Light, bright and air-conditioned, open 7am-10pm daily, with cardio, free weights and calisthenics kit, plus sauna and steam room access.

The Boathouse Pub

STREATLEY ONLY

Beer flights, scotch eggs and pork scratchings - a firm favourite.

Igloos

SONNING ONLY

Private, heated igloos on the riverbank - a striking spot for an evening drink or a change of scene between sessions.

BEYOND THE BOARDROOM

Priced individually, from £35 per person - add one, or add them all. All available at both locations

Pure Boating

The Thames, at your own pace.

Paddleboarding

Steady balance, clearer head.

Yoga

A moment of calm, mind and body aligned.

Laser Tag

Tactics, teamwork, and a few old scores settled.

Axe Throwing

Stress relief, thrown with precision.

Survival & Bushcraft Skills

Fire-starting, shelter-building, leadership-revealing.

Archery

Steady hands, sharper minds.

Laser Clay Pigeon Shooting

Countryside sport, zero feathers harmed.

Most activities run rain or shine. Archery, Laser Tag and Survival Skills are built for it; Archery and Axe Throwing guests can shelter under the covered gazebo between rounds, and Survival Skills has a wet-weather alternative on standby.
